

# Town of Watertown 2018 Rain Barrel Program

***Did you know* that using a rain barrel to collect precious rainwater not only conserves energy and you may even save money on your next water bill?**

Watertown DPW has partnered with The Great American Rain Barrel Company to provide rain barrels at a discount to its residents. They are heavy duty and come with a choice of two ports to use with either a watering can or a garden hose. Each barrel holds 60 gallons of rain water and is available in 3 earth tone colors.

**As a Watertown resident, you are eligible to purchase rain barrels at the discounted rate of \$65 and optional flow diverter at \$16. The retail price is \$119!**
