**Town Manager’s Coronavirus (COVID-19) Update
August 14, 2020**

COVID-19 Numbers

The Massachusetts Department of Public Health is reporting that as of August 13, 2020 there are:

- 113,517 cases statewide
- 26,565 Middlesex County
- 8,568 deaths statewide

For more state data, visit <https://www.mass.gov/info-details/covid-19-updates-and-information>

Watertown has a total of 463 confirmed cases of COVID-19 and 430 community members have recovered from the virus. Four Town employees have had confirmed cases. Watertown has recorded twenty-four COVID-19 fatalities. Our thoughts go out to the families as they mourn the loss of their loved one.

Baker-Polito Administration Releases Enhanced Community Level Data on Spread of COVID-19

On Tuesday, August 11th, the Baker-Polito Administration released additional data on community level spread of COVID-19 in order to target additional resources and implement community specific strategies to stop the spread of the virus. ([Press release here](#)).

Last week, Governor Charlie Baker announced a new set of initiatives aimed at stopping the spread of COVID-19 in Massachusetts, especially in higher risk communities that have seen a recent uptick in cases. While Massachusetts has seen an overall decrease in COVID-19 cases and hospitalizations since May, there has been a slight uptick in certain communities in recent days.

The Administration released data on the average daily cases per 100,000 residents, average percent positivity, and total case counts, for all 351 Massachusetts cities and towns over the last two weeks.

¹ There is a difference between the Commonwealth’s reported numbers and what the Watertown Board of Health can confirm through the Massachusetts Virtual Epidemiologic Network (MAVEN).

Based on the average daily cases per 100,000 residents, each city or town has been designated as a higher risk, moderate risk, or lower risk community. Watertown is currently designated as a lower risk community. This information will be updated and included in the Department of Public Health's weekly public health dashboard, which is published each Wednesday.

New Initiatives Launched to Stop Spread of COVID-19

Last Friday, Governor Charlie Baker announced a new set of initiatives aimed at stopping the spread of COVID-19 in Massachusetts, especially in higher risk communities that have seen a recent uptick in cases. ([Press release here](#)).

The Administration announced a set of initiatives, including stricter statewide rules for public and private gatherings and targeted community guidance. The Administration also announced that, starting next week, additional reporting for town-by-town data will be published weekly to show the spread of COVID-19 at a community level. Additionally, [previously announced](#) free COVID-19 testing in 17 communities has been extended through September 12.

Emergency Order Mandating Face Coverings

The Watertown Board of Health adopted an [Emergency Order](#) on April 30th mandating face coverings effective Monday, May 4th. Exceptions include children under the age of 5 and those not otherwise exempt per CDC guidelines.

#MaskUpMA Initiative Launched

On Friday, July 31, the Baker-Polito Administration [launched #MaskUpMA](#), an effort to continue to remind residents to wear masks and face-coverings in public to stop the spread of COVID-19. The effort underscores the importance of wearing masks across multiple channels including video testimonials on social media, a new PSA, and a website, [Mass.Gov/MaskUp](#)

In May, Governor Baker [issued an order](#) requiring residents to wear face-coverings in public where social distancing is not possible. This applies to both indoor and outdoor spaces. Exceptions include children under the age of 2 and those unable to wear a mask or face covering due to a medical condition.

Voting and Polling Location Changes for 2020 Elections

On July 6, 2020, the Massachusetts Legislature enacted Chapter 115 of the Acts of 2020, which governs the conduct of the upcoming federal, state, and local elections during the pendency of the COVID-19 public health crisis. The legislation provides for the specific processes for changing the polling locations and precincts for the primary election on September 1, 2020 and the general election on November 3, 2020.

On Tuesday, August 11th, the Town Council approved the following polling location changes:

To the voters of Precinct 2: Hosmer School
Your polling location has been changed to:
Hellenic Cultural Center
25 Bigelow Avenue

To the voters of Precinct 11: Cunniff School
Your polling location has been changed to:
Watertown Middle School
68 Waverley Avenue

To the voters of Precinct 12: Cunniff School
Your polling location has been changed to:
Watertown Middle School
68 Waverley Avenue

For a complete list of locations see the following link.

Vote by Mail for 2020

Recently, Chapter 115 of the Acts of 2020 was enacted relative to voting options in response to COVID-19. One such option is **VOTE BY MAIL**, also known as no excuse voting, which allows for the voter to submit a "Vote by Mail" application to the local Election Department. Watertown voters received a mailing last weekend from the Elections Division of the MA Secretary of State's Office that provided a post card application to be filled out and mail back (postage included) to the Town Clerk's Office. The application can also be faxed (617-972-6595) or emailed (townclerk@watertown-ma.gov), as long as the signature is visible and is signed in a substantial manner as a handwritten signature including applications signed with a mouse, stylus, or finger. Applications with typed signatures are still not accepted. The deadline to submit a Vote by Mail application or absentee ballot application for a mailed ballot for the September 1, 2020 State Primary is Wednesday, August, 26th.

Watertown Public Schools (WPS)

At the Watertown School Committee meeting last night, the School Committee voted to reopen schools this fall with a gradual, phased-in approach to in-person learning: our "Bridge to Hybrid". All PreK-12 students will start remotely on September 22, with a robust, full-day virtual learning experience. Students identified as having the greatest learning needs, as defined by the Department of Elementary and Secondary Education, will have opportunities for instruction and support services that are delivered in school, if possible. The Watertown Public Schools will gradually phase to a hybrid model based on sound scientific metrics and the readiness of our buildings. A fully virtual program for students who can't return to school will be offered as well. The first assessment to determine readiness for return to in-person, hybrid learning will occur on October 22, with the second assessment being on November 25.

The School Nutrition Department continues to provide "grab and go" breakfasts and lunches on Tuesdays and Fridays in the Watertown High School parking lot from 11:00-1:00.

2020 Saltonstall Park Concert Series

Great news! Concerts are still happening! This year marks twenty-one years that the Saltonstall Park Concert Series has provided free music and entertainment in Watertown's historic Saltonstall Park. The concerts will be a very different experience this summer. We are requesting that everyone follow the latest State and Town guidance in regards to masks and social distancing. The Saltonstall Park Concert Series Committee will take steps to help make the process easier, such as social distancing squares. We are very excited to invite our concert-goers back!

Concerts are as follows:

Wednesdays – starting at 6:30 PM

August 19 - Gainsville Road is a female fronted dance/party band with a great song list, excellent musicianship, powerful vocals and genuine stage presence.

August 26 – Lightning Rose. Good friends and Palfrey Street neighbors, John Copeland and David and Dawn Scaltreto, found that one of the hardest parts of quarantine was not being able to play live music with their respective bands, or play live in clubs and restaurants. When the Scaltretos heard John playing one day on his front steps, they wanted to join in the fun! That weekend they began playing concerts in the backyard over the fence. Appreciative neighbors came out with their lawn chairs to listen, and everyone loved it! With the addition of Watertown native David Donnelly on drums, the band was complete. John’s adorable 5 year-old daughter, Natalie, came up with the name for the new ensemble, and “Lightning Rose” was born! They play a selection of popular classic rock tunes with a bluesy-jazzy-country spin and lots of beautifully layered vocals.

The 2020 concert series is sponsored by the Watertown Savings Bank, Eversource, Massachusetts Cultural Council, Graphic Connections and Town of Watertown

Town Re-Opening Plan Update

As indicated in the May 22nd Coronavirus (COVID-19) Update, the Town is preparing to reopen Town buildings and facilities. We are determining the best ways to responsibly and safely reopen Watertown. The following is an update on the Town’s Re-Opening Plan:

How will you find out about local emergencies?

To get Emergency Alerts from the Town of Watertown text WATERTOWNMA to 888-777. Your cell phone number will be in the system without having to establish an Everbridge account. You also have the opportunity to add your email address into the system at this time. You would then receive all emails and/or texts from the system. If you already have an Everbridge account, this is not necessary, as you will continue to receive the notifications sent by the Town.

Watertown COVID-19 Informational Call Center and Email

For general COVID-19 questions not specific to the Town of Watertown, all Massachusetts residents are encouraged to call the State's **2-1-1 Hotline** that is staffed by operators 24/7 and with translators available in multiple languages. Residents with questions can dial 2-1-1 from any landline or cell phone or use the live chat option on the **Mass 2-1-1 website (mass211.org)**.

The Town of Watertown has established a COVID-19 informational call center to allow residents and business owners to ask non-medical questions specific to COVID-19 in Watertown. The call center will be staffed Monday through Friday from 8am to 4pm and the number for the call center is **# 617-972-6565**. Questions can also be emailed to **COVID19@police.watertown-ma.gov**.

Please call 9-1-1 in the event of an emergency.

Calls should not be made to 9-1-1 for questions regarding COVID-19.

Four (4) electronic sign boards have been placed around Town with the message: "Wear Face Coverings". Further message updates will be provided as needed.

Emergency Management Team

The Town of Watertown Emergency Management Team is meeting to monitor the developments in the outbreak of the coronavirus. We have used these meetings to keep an organized flow of information and to develop strategies to best respond to the needs of our community. We will continue to update the community through the Watertown Health Department's web page. <https://www.watertown-ma.gov/965/CORONAVIRUS>.

Please continue to take the following actions to limit the spread of COVID-19:

- Stay safe, stay home
- Practice social distancing – when in public spaces try to remain at least 6-feet away from others.
- Stay home if you are sick – and avoid close contact with others.
- Cover your mouth – when you cough or sneeze use a tissue or your inner elbow, not your hands.
- Wash your hands – with soap and warm water or use an alcohol-based sanitizing gel.

Town Manager's Coronavirus (COVID-19) (21) [Updates/Statements](#)

We are in this together

We are living in an unprecedented time where our world, our nation and our community, is faced with the threat of an international pandemic known as COVID-19.

All of our Town employees are incredibly committed to ensuring the Town can safely meet the needs of our community while we are also protecting our employees' safety. All departments have implemented vigorous social distancing and hygiene protocols. I am so grateful for all of our employees' efforts under difficult circumstances.

The members of the Honorable Town Council continue to be available to help all residents and to provide updates/information to protect the health and safety of all the residents of Watertown.

I want to thank all of the members of our community for your cooperation and efforts to date; and for your continued actions to limit the spread of COVID-19. **Additionally, please check on your neighbors who may live alone. If you have any concerns, please email us at COVID19@police.watertown-ma.gov or call the Police Department at (617) 972-6500; and we will follow up.**

Watertown is a resilient community and we are all in this together. We will continue to support each other and stay strong, Watertown Strong!
