Interactive Map of COVID-19 Community Data Launched

Last week, the Commonwealth began reporting enhanced community-level data on key COVID-19 metrics as part of the Baker-Polito Administration's [efforts](#) to partner with cities and towns to slow the spread of the virus. The Administration launched an [interactive map](#) in order to make it easier to access this important. The data in this interactive map is based on the weekly [Public Health Report](#) published each Wednesday by MDPH.

Massachusetts Launches “My Local MA” Campaign to Drive Economic Activity and Safely Support Small and Local Businesses

On Tuesday, Governor Charlie Baker and Lt. Governor Karyn Polito announced the launch of an effort to encourage residents of the Commonwealth to support their local economies by shopping at local Massachusetts businesses and attractions, safely – in person, online, and using curbside pickup or takeout. The Baker-Polito Administration’s “[My Local MA](#)” advertising campaign is kicking off this Friday in tandem with the [Sales Tax-Free Weekend](#) taking place August 29-30, and was developed as a response to the economic impact the COVID-19 pandemic has had on Massachusetts local businesses and communities. ([Press release here](#)).

Emergency Order Mandating Face Coverings

The Watertown Board of Health adopted an [Emergency Order](#) on April 30th mandating face coverings effective Monday, May 4th. Exceptions include children under the age of 5 and those not otherwise exempt per CDC guidelines.

#MaskUpMA Initiative Launched

On Friday, July 31, the Baker-Polito Administration [launched #MaskUpMA](#), an effort to continue to remind residents to wear masks and face-coverings in public to stop the spread of COVID-19. The effort underscores the importance of wearing masks across multiple channels including video testimonials on social media, a new PSA, and a website, [Mass.Gov/MaskUp](#)

In May, Governor Baker [issued an order](#) requiring residents to wear face-coverings in public where social distancing is not possible. This applies to both indoor and outdoor spaces. Exceptions include children under the age of 2 and those unable to wear a mask or face covering due to a medical condition.

Tuesday, September 1st Primary Election

In-person voting is available on Tuesday, September 1st at your polling location from 7:00 AM to 8:00 PM.

Polling Location Changes for 2020 Elections

On July 6, 2020, the Massachusetts Legislature enacted Chapter 115 of the Acts of 2020, which governs the conduct of the upcoming federal, state, and local elections during the pendency of the COVID-19 public health crisis. The legislation provides for the specific processes for changing the polling locations and precincts for the primary election on September 1, 2020 and the general election on November 3, 2020.

On Tuesday, August 11th, the Town Council approved the following polling location changes:

To the voters of Precinct 2: Hosmer School
Your polling location has been changed to:
Hellenic Cultural Center
25 Bigelow Avenue

To the voters of Precinct 11: Cunniff School
Your polling location has been changed to:
Watertown Middle School
68 Waverley Avenue

To the voters of Precinct 12: Cunniff School
Your polling location has been changed to:
Watertown Middle School
68 Waverley Avenue

Vote by Mail for 2020

Recently, Chapter 115 of the Acts of 2020 was enacted relative to voting options in response to COVID-19. One such option is **VOTE BY MAIL**, also known as no excuse voting, which allows for the voter to submit a “Vote by Mail” application to the local Election Department. Watertown voters received a mailing last weekend from the Elections Division of the MA Secretary of State’s Office that provided a post card application to be filled out and mail back (postage included) to the Town Clerk’s Office. The application can also be faxed (617-972-6595) or emailed (townclerks@watertown-ma.gov), as long as the signature is visible and is signed in a substantial manner as a handwritten signature including applications signed with a mouse, stylus, or finger. Applications with typed signatures are still not accepted. The deadline to submit a Vote by Mail application or absentee ballot application for a mailed ballot for the September 1, 2020 State Primary was Wednesday, August, 26th.

Ballots for the September 1, 2020 State Primary can be returned anytime 7 days a week in the exterior Library drop box located on Thaxter Street (adjacent to Town Hall). You may also return library materials in this box.

Watertown Public Schools (WPS)

The Watertown Public Schools continues its planning for the reopening of schools. At this time, WPS will open remotely on September 22, with a phased-in approach to a hybrid model with both in-person and remote learning throughout the week later in the fall. The first checkpoint for moving to the hybrid model will be October 22 with a start date of October 27 beginning with our elementary students. The decision to move into a hybrid model will be based on the available metrics regarding COVID-19 cases and the percent of positive tests in Watertown and Middlesex County.

The School Nutrition Department will continue to provide breakfast and lunch for any family through September 21. Distribution is in the WHS parking lot from 11:00 am to 1:00 pm on Tuesdays and Fridays. Once school starts, we will evaluate the best way to distribute breakfast and lunch through the phases of reopening.

The Watertown Farmers' Market is open weekly through October 14th!

Wednesdays, 2:30 – 6:30pm, Saltonstall Park, 149 Main Street, next to Town Hall

The market is open as an essential food access point offering a wide variety of farm fresh, locally grown and produced foods. The market offers safe and efficient on-site shopping as well as pre-order options.

Volunteer Shoppers are available for those with medical, mobility, or transportation needs. Market flyer with SNAP information ([HERE](#)).

Emergency Management Team

The Town of Watertown Emergency Management Team is meeting to monitor the developments in the outbreak of the coronavirus. We have used these meetings to keep an organized flow of information and to develop strategies to best respond to the needs of our community. We will continue to update the community through the Watertown Health Department's web page. <https://www.watertown-ma.gov/965/CORONAVIRUS>.

How will you find out about local emergencies?

To get Emergency Alerts from the Town of Watertown text WATERTOWNMA to 888-777. Your cell phone number will be in the system without having to establish an Everbridge account. You also have the opportunity to add your email address into the system at this time. You would then receive all emails and/or texts from the system. If you already have an Everbridge account, this is not necessary, as you will continue to receive the notifications sent by the Town.

Watertown COVID-19 Informational Call Center and Email

For general COVID-19 questions not specific to the Town of Watertown, all Massachusetts residents are encouraged to call the State's **2-1-1 Hotline** that is staffed by operators 24/7 and with translators available in multiple languages. Residents with questions can dial 2-1-1 from any landline or cell phone or use the live chat option on the **Mass 2-1-1 website (mass211.org)**.

The Town of Watertown has established a COVID-19 informational call center to allow residents and business owners to ask non-medical questions specific to COVID-19 in Watertown. The call center will be staffed Monday through Friday from 8am to 4pm and the number for the call center is **# 617-972-6565**. Questions can also be emailed to **COVID19@police.watertown-ma.gov**.

Please call 9-1-1 in the event of an emergency.

Calls should not be made to 9-1-1 for questions regarding COVID-19.

Please continue to take the following actions to limit the spread of COVID-19:

- Stay safe, stay home
- Practice social distancing – when in public spaces try to remain at least 6-feet away from others.
- Stay home if you are sick – and avoid close contact with others.
- Cover your mouth – when you cough or sneeze use a tissue or your inner elbow, not your hands.
- Wash your hands – with soap and warm water or use an alcohol-based sanitizing gel.

Town Manager's Coronavirus (COVID-19) (23) [Updates/Statements](#)

We are in this together

We are living in an unprecedented time where our world, our nation and our community, is faced with the threat of an international pandemic known as COVID-19.

All of our Town employees are incredibly committed to ensuring the Town can safely meet the needs of our community while we are also protecting our employees' safety. All departments have implemented vigorous social distancing and hygiene protocols. I am so grateful for all of our employees' efforts under difficult circumstances.

The members of the Honorable Town Council continue to be available to help all residents and to provide updates/information to protect the health and safety of all the residents of Watertown.

I want to thank all of the members of our community for your cooperation and efforts to date; and for your continued actions to limit the spread of COVID-19. **Additionally, please check on your neighbors who may live alone. If you have any concerns, please email us at COVID19@police.watertown-ma.gov or call the Police Department at (617) 972-6500; and we will follow up.**

Watertown is a resilient community and we are all in this together. We will continue to support each other and stay strong, Watertown Strong!
