

ERASE THE STIGMA OF SUBSTANCE USE DISORDER

RECOVERY IS POSSIBLE

VIRTUAL EVENT & PANEL DISCUSSION

Sunday, September 13th, 2020
4:00–5:30 PM via Zoom

FEATURED SPEAKER:

Dr. John Kelly, Director
of the Research Recovery
Institute at MGH.

MODERATOR:

Dr. Laura Kehoe,
Watertown Resident &
Director of the MGH
Substance Use Disorder
Bridge Clinic.

- The pandemic is affecting recovery efforts.
- People are isolated.
- Substance Use Disorder can be stigmatizing.
- But recovery is possible.

Join us for a conversation with local
medical experts and community members
to hear powerful stories of hope and recovery.
