Percent or Count of Change Since
Lowest Observed Value (LOV)

*Calculated from total molecular tests; **Includes both confirmed and suspected cases of COVID-19; ***Includes deaths in only confirmed cases of COVID-19
 Note: Hospital-reported data included here reflects a transition to new federal reporting standards imposed as of 7/22. As a result, data may not be directly comparable to hospital data previously reported. As of 9/8/20, patients on an observation stay with confirmed or suspected COVID are included in total COVID hospitalization figures in addition to patients who are admitted. This update will create consistency in reporting and provide a more complete picture of total COVID hospitalizations. Most hospitals were already including observation status patients in their reporting, so this update is not expected to have a significant impact on daily trends. LOV = Lowest observed value, i.e. the lowest value the public health indicator has been since tracking started.

New Weekly Public Health Data Report Released

The Command Center released the comprehensive [COVID-19 Weekly Public Health Report](#), including community-specific COVID-19 case and testing data. The report also includes risk categories for each city and town based on the average daily incident rate over the past 14 days. Communities in the high-risk category will receive additional support from the Commonwealth through a cross-agency COVID Enforcement and Intervention Team.

DPH has also posted an archive of previously released city and town data dating back to April on the COVID-19 reporting page. The Weekly Public Health Report includes also includes data on recoveries, along with detailed case and death data related to long term care facilities. The report also includes information on new nursing facility staff baseline testing, infection control audits, and more. You can also

Massachusetts Residents Urged to Get Flu Vaccination

Yesterday, Governor Baker, Lt. Governor Polito, and Health and Human Services Secretary Marylou Sudders, joined by MinuteClinic Chief Medical Officer Dr. David Fairchild, visited a CVS Pharmacy in Roslindale to receive flu shots and highlight the importance of getting vaccinated this year. CVS also [announced today](#) it is expanding COVID-19 testing sites at several of its locations across Massachusetts beginning today (9/18).

Last month, the Baker-Polito Administration announced [a requirement](#) that all students attending kindergarten through college must have a flu immunization by December 31. The requirement also applies to children over six months of age attending child care. Exemptions may be made for medical or religious reasons.

In addition, the state adopted a policy, based on the federal PREP Act, which enables qualified pharmacy staff to administer a flu shot to children as young as three years old. The previous minimum age in Massachusetts was nine.

For more information about influenza, visit www.mass.gov/flu, or call your health care provider, local board of health, or DPH at (617) 983-6800.

Extension of Administrative Tax Relief for Local Businesses

On Tuesday, the Baker Administration announced an extension of administrative tax relief measures for local businesses that have been impacted by the ongoing COVID-19 outbreak, especially in the restaurant and hospitality sectors.

This includes the extension of the deferral of regular sales tax, meals tax, and room occupancy taxes for small businesses due from March 2020 through April 2021, so that they will instead be due in May 2021. Businesses that collected less than \$150,000 in regular sales plus meals taxes in the twelve month period ending February 29, 2020 will be eligible for relief for sales and meals taxes, and businesses that collected less than \$150,000 in room occupancy taxes in the twelve month period ending February 29, 2020 will be eligible for relief with respect to room occupancy taxes. For these small businesses, no penalties or interest will accrue during this extension period.

For businesses with meals tax and room occupancy tax obligations that do not otherwise qualify for this relief, late-file and late-pay penalties will be waived during this period.

The Department of Revenue will issue emergency regulations and a Technical Information Release to implement these administrative relief measures.

Amendment to Emergency Order Mandating Face Coverings

On September 16th, the Watertown Board of Health [amended](#) its [Emergency Order](#) to align with the one issued by the Governor. This Amendment is also consistent with guidance that is being put out by State agencies on reopening.

#MaskUpMA Initiative Launched

On Friday, July 31, the Baker-Polito Administration [launched #MaskUpMA](#), an effort to continue to remind residents to wear masks and face-coverings in public to stop the spread of COVID-19. The effort

underscores the importance of wearing masks across multiple channels including video testimonials on social media, a new PSA, and a website, [Mass.Gov/MaskUp](https://www.mass.gov/maskup)

In May, Governor Baker [issued an order](#) requiring residents to wear face-coverings in public where social distancing is not possible. This applies to both indoor and outdoor spaces. Exceptions include children under the age of 2 and those unable to wear a mask or face covering due to a medical condition.

Watertown Public Schools (WPS)

Faculty and staff kicked off the 2020/2021 school year on September 1 with 13 full days of professional learning, family meet and greets, technology distribution, and COVID training. WPS teachers are diligently preparing their remote learning lessons, as we begin our year on the Bridge to Hybrid on September 22. Several of our teachers and staff will begin the year working with our specialized populations in person while the majority of our students will start the year remote as we continue to monitor the COVID 19 data.

The School Nutrition Department will continue to distribute breakfast and lunch out of the high school parking lot on Tuesdays and Fridays from 11:00-1:00. All families are welcome to pick up meals during these hours

The Watertown Farmers' Market is open weekly through October 14th!

Wednesdays, 2:30 – 6:30pm, Saltonstall Park, 149 Main Street, next to Town Hall

The market is open as an essential food access point offering a wide variety of farm fresh, locally grown and produced foods. The market offers safe and efficient on-site shopping as well as pre-order options. Volunteer Shoppers are available for those with medical, mobility, or transportation needs. Market flyer with SNAP information ([HERE](#)).

Museum passes are back! The Watertown Free Public Library Museum Pass Program has resumed with passes available for the Discovery Museum, Institute of Contemporary Art, Isabella Steward Gardner Museum, and MA Audubon. Due to each museum's COVID-19 precautions, the procedures for using museum passes have changed. Patrons are advised to carefully review the instructions before visiting museums. For more information and reserve passes visit www.watertownlib.org/museumpasses.

The Red Leaf Café is now open from 9am to 3pm for takeout only.

Hatch Makerspace is open by appointment only. For more information visit <https://www.watertownlib.org/576/Book-an-Appointment>. Hatch will continue to offer curbside pickup for 3D prints and laser cut original work on Tuesdays and Thursdays between 10 am and 4 pm. Print and cut jobs must meet certain eligibility requirements for this service. For more information, visit watertownlib.org/hatchpickup.

Watertown Council on Aging/Senior Center/Food Pantry

The Watertown Senior Center and the Senior Shuttle Bus **remain closed, but Senior Center staff are available to connect you to their Zoom programs and to provide other assistance.** Senior Parking Permits can be renewed over the phone by calling the Senior Center and new permits can be purchased by calling the Senior Center and making an appointment. The monthly Watertown Senior News can be found at <https://www.watertown-ma.gov/150/Activities-during-COVID-19>.

The Watertown Food Pantry continues to be open Tuesdays, 10 AM until 2 PM at 80 Mt. Auburn Street, rear. When going to the Food Pantry, please wear a mask or other face covering to protect your own self and those around you in the parking lot and at the Food Pantry. Food donations (canned goods, cold cereals, peanut butter and other shelf-stable items) are accepted at the Food Pantry on Tuesdays starting at 9:00 AM until 2 PM. For more information about the Food Pantry or any senior issues, call the Senior Center at (617) 972-6490 or send an e-mail to SeniorCenter@watertown-ma.gov.

Food Pantry Need

The Food Pantry is in need of healthy kid-sized snacks like granola or fruit bars, raisin boxes, fruit or pudding cups, cookie and cracker mini packs, and drinks like juice boxes or pouches for our families. Our goal is to send each family home with a week's worth of "School Snacks." Donations accepted at the Food Pantry on Tuesdays from 8:00 AM – 1:30 PM at 80 Mount Auburn Street, Rear.

Watertown Veterans' Services

Watertown Veterans' Services is closed to the public but is still available to assist with administering and applying for benefits. Families and Veterans may reach out to inquire about applying for benefits. Watertown Veterans' Services, in partnership with the Greater Boston Veterans' Collaborative has a detailed spreadsheet with benefits and services—including but not limited to: financial, mental health, transportation, and food resources—available to Veterans and others during this pandemic. The list is constantly being updated and interested Veterans and families should contact Patrick George, Veterans' Services Officer (VSO) for the most up to date list. Please contact the VSO at: PGeorge@watertown-ma.gov or (617) 972-6416 (Office) and (781) 645-9127 (Cell)

Emergency Management Team

The Town of Watertown Emergency Management Team is meeting to monitor the developments in the outbreak of the coronavirus. We have used these meetings to keep an organized flow of information and to develop strategies to best respond to the needs of our community. We will continue to update the community through the Watertown Health Department's web page. <https://www.watertown-ma.gov/965/CORONAVIRUS>.

How will you find out about local emergencies?

To get Emergency Alerts from the Town of Watertown text WATERTOWNMA to 888-777. Your cell phone number will be in the system without having to establish an Everbridge account. You also have the opportunity to add your email address into the system at this time. You would then receive all emails and/or texts from the system. If you already have an Everbridge account, this is not necessary, as you will continue to receive the notifications sent by the Town.

Watertown COVID-19 Informational Call Center and Email

For general COVID-19 questions not specific to the Town of Watertown, all Massachusetts residents are encouraged to call the State's **2-1-1 Hotline** that is staffed by operators 24/7 and with translators available in multiple languages. Residents with questions can dial 2-1-1 from any landline or cell phone or use the live chat option on the **Mass 2-1-1 website (mass211.org)**.

The Town of Watertown has established a COVID-19 informational call center to allow residents and business owners to ask non-medical questions specific to COVID-19 in Watertown. The call center will be staffed Monday through Friday from 8am to 4pm and the number for the call center is **# 617-972-6565**. Questions can also be emailed to **COVID19@police.watertown-ma.gov**.

Please call 9-1-1 in the event of an emergency.

Calls should not be made to 9-1-1 for questions regarding COVID-19.

Please continue to take the following actions to limit the spread of COVID-19:

- Stay safe, stay home
- Practice social distancing – when in public spaces try to remain at least 6-feet away from others.
- Stay home if you are sick – and avoid close contact with others.
- Cover your mouth – when you cough or sneeze use a tissue or your inner elbow, not your hands.
- Wash your hands – with soap and warm water or use an alcohol-based sanitizing gel.

Town Manager's Coronavirus (COVID-19) (25) [Updates/Statements](#)

We are in this together

We are living in an unprecedented time where our world, our nation and our community, is faced with the threat of an international pandemic known as COVID-19.

All of our Town employees are incredibly committed to ensuring the Town can safely meet the needs of our community while we are also protecting our employees' safety. All departments have implemented vigorous social distancing and hygiene protocols. I am so grateful for all of our employees' efforts under difficult circumstances.

The members of the Honorable Town Council continue to be available to help all residents and to provide updates/information to protect the health and safety of all the residents of Watertown.

I want to thank all of the members of our community for your cooperation and efforts to date; and for your continued actions to limit the spread of COVID-19. **Additionally, please check on your neighbors who may live alone. If you have any concerns, please email us at COVID19@police.watertown-ma.gov or call the Police Department at (617) 972-6500; and we will follow up.**

Watertown is a resilient community and we are all in this together. We will continue to support each other and stay strong, Watertown Strong!
