

The Town of Watertown Official Ballot Drop Box, located on the park side of Town Hall, will not be available to accept ballots beginning at 5:00 pm on Saturday, October 31st until 8:00 am on Sunday, November 1st.

This closure is required by an Election Directive issued by the Elections Division of the MA Secretary of the Commonwealth to address increased security measures to be taken to ensure the safety of returned ballots, given the recent reported activity in the City of Boston.

Sorry for the inconvenience, but this action is being taken to safeguard your completed ballot.
