

BOYLSTON PROPERTIES INVITES YOU TO TWO VIRTUAL COMMUNITY INFORMATION MEETINGS

Please join Boylston Properties for a review and discussion on Phase B of the Arsenal Yards master plan. The purpose of these meetings will be to present and discuss the proposed layout and design of *One Arsenal Marketplace*, the existing office building and parking garage located at 617 Arsenal Street. The building currently includes occupied office space and the now closed Millers Ale House. Once renovated, the building will include office space, new and renovated life science space, reconfigured above and below grade parking with new parking ramps and revised loading access. Discussion will include the massing of the building and changes to the façade. *(note: postings will be available online prior to the first meeting)*

We will be hosting two community information meetings: one on **January 11th** and the other on **January 21st**. Please join us for one or both evenings. The first meeting will provide the full project [presentation](#); the second will briefly review project details and will address any additional details or follow-up from the first meeting.

In light of the COVID pandemic, the meetings will be conducted virtually via Zoom. Prior to the start of each meeting, please access the link below to join via computer or mobile device. You may be instructed to download the Zoom application.
