**Free COVID-19 Testing for Watertown Residents – Additional Slots**

The Town of Watertown is offering, by appointment only, one - free COVID-19 Test for Watertown residents. Testing is free, does not require a medical referral and you do not need to have COVID-19 symptoms to get tested. Pre-registration is required to receive a test (pre-registration details below) and we ask that you only sign up for one test to allow other residents access to testing.

Testing will be held inside the Commander’s Mansion 440 Talcott Avenue on the following dates and times:

- Wednesday, January 27 from 8:00 AM to 2:00 PM
- Tuesday, February 2 from 1:00 PM to 7:00 PM
- Wednesday, February 3 from 8:00 AM to 2:00 PM
- Tuesday, February 9 from 1:00 PM to 7:00 PM
- Wednesday, February 10 from 8:00 AM to 2:00 PM

In order to obtain an appointment a Watertown resident must pre-register by clicking on the following link: <https://proemscovidtesting.as.me/watertown>

<sup>1</sup> There is a difference between the Commonwealth’s reported numbers and what the Watertown Board of Health can confirm through the Massachusetts Virtual Epidemiologic Network (MAVEN).

This is not a drive-up test. Watertown residents who have an appointment will enter into the Commander's Mansion and with the assistance of Pro Ambulance employees will conduct a self-administering nasal swab (PCR test).

**Test results:** As a reminder, a negative test does not mean you cannot spread COVID-19, or get infected with COVID-19, at a later date. Residents should continue to practice physical distancing and hygiene, regardless of a negative test result.

**The above dates and times are the only dates and times available for Watertown residents through this program.**

**There are several additional ways that Watertown residents can get tested for COVID-19:**

The state's "Stop the Spread" testing sites are open to all Massachusetts residents, and testing is free of charge. The sites are located in several nearby communities (Framingham, Marlborough, Chelsea, Everett, Revere, Winthrop). Many of these sites are walk-up or drive-through and do not require appointments. Details about each site are provided at <https://www.mass.gov/info-details/stop-the-spread#eligibility->

**Contact Your Health Care Provider**

If you think you may have COVID-19, call your health care provider and tell them about your symptoms. COVID-19 symptoms may include fever, sore throat, loss of sense of smell, cough, difficulty breathing, body aches, or chills. Your health care provider will help you decide whether testing is appropriate. If your provider thinks you should be tested and cannot do the test on-site, they will make the referral to a testing site near you. Here is a current list of COVID-19 testing sites in Massachusetts:

<https://www.mass.gov/doc/ma-covid-19-testing-sites/download>

**Use the State's Free Online Telehealth Service**

The state is partnering with Doctor on Demand to offer free telehealth visits to Massachusetts residents who want to get a quick assessment of symptoms and/or do not have health insurance. Through this service, you'll be evaluated online and connected to testing if needed. To access this free service, go to: <https://www.mass.gov/how-to/check-your-symptoms-for-covid-19-online>

**Call the State's 24-Hour Hotline**

If you do not have internet access or do not feel comfortable using websites, you can call 2-1-1, a 24-hour state-supported telephone hotline. Hotline staff can provide guidance on testing.

**When can I get the COVID-19 vaccine?**

The Baker-Polito Administration and the Department of Public Health developed a vaccine distribution timeline after extensive consultation with the Massachusetts Vaccine Advisory Group. The timeline reflects several priorities: protecting our most vulnerable, maintaining health care system capacity, and addressing inequities in health care access and COVID-19 burden.

At this time we are surveying students, families, and staff to gather information and feedback about school during a pandemic, as we head to the mid-point of the year, and the Superintendent will be providing an overview of the survey results at the School Committee meeting on January 25.

Our school nutrition department, under the guidance of Brandon Rabbitt and his amazing staff, continues to offer seven days of free breakfast and lunch for any students in Watertown. Distribution takes place in the schools for students who are in person and at the high school parking lot for anyone who is remote on Mondays from 12:00-1:30 and 4:30-6:00.
