### **Watertown Public Schools (WPS)**

On Wednesday, March 3rd, the Governor held a press conference regarding **vaccinations** for K-12 staff. He announced that beginning next Thursday, March 11th, K-12 and early childhood educators, childcare workers, and K-12 school staff will become eligible to schedule COVID-19 vaccine appointments.

In addition, the Commissioner of Education proposed changes to the current *Student Learning Time* requirement with only in-person instruction counting towards time on learning. District Leadership is considering all options for a return to more in-person instruction in early April. The assumption is that the Board of Elementary and Secondary Education will support the Commissioner's recommendation at its meeting today, Friday, March 5th.

In WPS, we continue to work collaboratively and expeditiously with our teachers, administration, our Watertown Educators Association (WEA) Working Group, and our School Committee on this matter to make the best decisions for our timeline, which will be shared broadly when complete. We are confident that with all of the mitigation strategies that we have in place, we are in a good position to move into our next phase on the *Bridge to Return*. If something could have been done to improve safety, we have done it at WPS. Safety continues to be our primary consideration.

All of our student and staff COVID-19 tests have been negative for two weeks in a row!

Our school nutrition department offers seven days of free breakfast and lunch for any students in Watertown. Distribution occurs in the schools for students in person and at the high school parking lot for anyone who is remote on Mondays from 12:00pm-1:30pm and 4:30pm-6:00pm.

**Town Hall is open to the public by appointment and drop-off transactions only.**

All payments may be placed in the silver box next to the Library book drop-off labeled “Payments Drop-off” located on Thaxter Street. You may also drop-off transactions in person in the Philip Pane Hearing Room, Saltonstall Park side of Town Hall 9:00 AM – 4:00 PM Monday through Friday. Members of the public must wear a face covering while in the building and is asked to maintain physical separation from employees and other visitors of at least six feet.

Many departments offer residents and businesses the ability to conduct transactions by phone, online or by mail. Individuals should check with their intended departments to see if there are options for service.
